“Bill Pietragallo’s cross of plaintiff’s expert witness was the most effective I have ever seen or read. This was a masterful cross-examination and I was highly impressed, which as you know is not a common thing.”

A testimonial came from Dr. Thomas L. Percy, Joint Historian (Ret.) U.S. Dept of State/Central Intelligence Agency, who reached out to Mr. Pietragallo in a stressful professional/legal situation:

“When a colleague referred me to you, he reassured me that you and your practice are the “best of the best.” He knew I needed counsel that does not shy away from the deeper end of the pool. ‘Thank you’ hardly captures the depth of respect, gratitude, admiration and appreciation I feel for you and the rest of your team.”
